Off-Campus Living:

- Students under the age of 13 are required to live off campus with a parent/guardian and others may opt to live off-campus with family - or - independently if they are 18+.
- The primary practice room for off-campus students will be off-campus at their housing location.
- Off-campus students may request a practice room through the Main Office when their schedule requires them to remain on campus between activities or for chamber music rehearsals.
- Off-campus students under 18 may not leave campus with anyone other than their parents/guardian or participate in field trips without written parental approval.
- Off-campus students under 18 must be supervised at all times. The primary supervisor for students under 18 is the parent or guardian. This means that parents and guardians must be within sight or earshot of the student - except when the student is being supervised in lessons, chamber coachings, master classes, during studio classes or with the Off-Campus Liaison during concerts, activities, field trips, and practice time when previously arranged.
- An Off-Campus Student Liaison supports under 18 off-campus students. This position brings together off-campus students and seeks to build community, ensures good communication with off-campus students, supervises students as described above.
